

Visitor Etiquette

Revised September 2020

Dear Relatives and Friends

Thank you all for your support during this ongoing COVID-19 pandemic.

Unfortunately it has been observed on several occasions in the past week visitors coming into the home or visiting outside on the veranda NOT abiding by the “1.5m Physical Distancing” rules.

All members of the community must abide by these government rules when out and about in the community and more important than ever at Mareeba where your friends and family live.

We realise how hard this is but would hate for a small minority to ruin face-to-face visitation for all or worse still, cause an outbreak of COVID-19 in the home.

Please be kind to our staff who work hard to manage bookings and visitor procedures whilst trying to be fair to all.

We will not tolerate rude or abusive behaviour from anyone when phoning or visiting Mareeba.

We will monitoring this closely over the coming week and ask anyone disobeying any of these requirements, to leave.

Thank you for your co-operation.
